## TOR6027 SECONDARY CLUTCH PRESS TOOL

For the Workman® MD, MDX, MDX-D & Multi Pro® 1250

K-Line® Industries is proud to announce the release of the TOR6027. This tool is used for the disassembly of the secondary clutch after it has been removed from the Workman® MD, MDX, and MDX-D vehicles. It can also be used with the Multi Pro® 1250 (MP1250) Sprayer.
